

Adult Old Testament - Curriculum Overview

Lambert's Old Testament Adult Bible Study Series is written for mature students who seek a deep level of Bible study and spiritual knowledge. Materials can be ordered year round.

Curriculum Benefits

Each 96-page study book coordinates, connects, and explains Bible knowledge in a format that is easy to read and easily used as a Bible companion.

Each book contains 13 quarterly lessons, complete with topic headings, scriptural commentary, sidebars, illustrations, and discussion questions.

The complete Old Testament Series (12 books) takes three years to complete in weekly 45-minute classroom periods.

Books offer insightful studies on Creation, the Patriarchs, Moses, the Judges, the United and Divided Kingdoms, the Captivity, the Restoration, Major and Minor Prophets, Psalms, Job, Proverbs, and more. Also learn more than ever before about Old Testament characters in the Bible, their nations, their cultural and historical backgrounds, their lands, and their spiritual relationships with God.
